## SOAR Organization

The SOAR Telescope is a partnership between the [Ministério da Ciência, Tecnologia, Inovações e Comunicações \(MCTIC\)](#) [1] of the Federal Republic of Brazil, the U.S. [National Optical Astronomy Observatory \(NOAO\)](#) [2], (funded by the [United States National Science Foundation](#) [3]), the [University of North Carolina at Chapel Hill \(UNC\)](#) [4], and [Michigan State University \(MSU\)](#) [5]. As Chile is the host country, Chilean astronomers are also entitled to access. Current partner share is indicated in the graphic below.

You can reach the Astronomy units at the SOAR partner institutions through the following links:

[National Optical Astronomy Observatory](#) [6]/ [Cerro Tololo Interamerican Observatory](#) [7]

[Laboratório Nacional de Astrofísica \(LNA\), Brazil](#) [8]

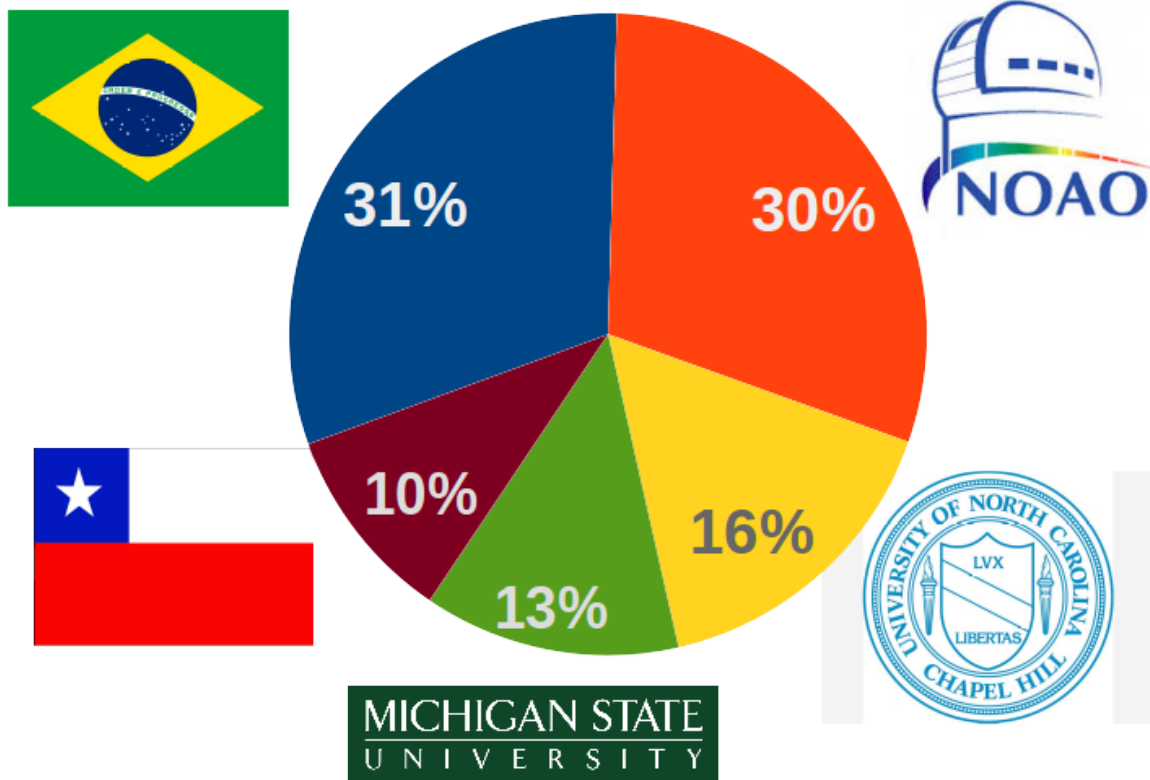

[Michigan State University Astronomy Department](#) [9]

[University of North Carolina, Department of Physics and Astronomy](#) [4]

[Chilean National TAC](#) [10]

SOAR is operated by NOAO, and is governed by a [Board of Directors](#) [11]. It has a [Science Advisory Committee \(SAC\)](#) [12] and each partner has a Time Allocation Committee (TAC - details [here](#) [13]). SOAR is managed by a La Serena-based Director and scientific staff. Operations and support work are carried out by the [SOAR staff](#). [14]
