## SAM science verification report

Submitted by dwalker on Tue, 2014-03-25 10:34

[1]

The report on SAM science verification is posted. [Get the report here.](#) [2]

In March 2014, SAM executed two observing proposals. The image below taken on March 4, 2014, shows gravitational arc MACS1206.2-0847 (combined from two 12-min. exposures in the i' and r' filters, FWHM resolution of 0.36 and 0.39 arcsec, respectively).
